EduDelta Teacher Volunteer Application Form

Dear Volunteers,

First of all thank you very much for indicating interest in EduDelta. We are a group of volunteers who aspires to provide educational opportunities to students from low-income families. Through our tuition programmes and enrichment activities, we hope to have a direct and positive impact on the academic performance and character values of our target audience.

By joining EduDelta, you are committing yourself into a community project unlike any other programme. EduDelta is not an ordinary project that only allows you to fulfil your basic responsibilities as a volunteer. It is a platform for you to exercise your leadership and planning abilities, interact with new friends from diverse background, and participate in our various ad-hoc activities. In addition, you have the opportunity to make a valuable impact and a positive change in the lives of your students.

At EduDelta, everyone is an important team member. Thus, we adopt an open culture where any team member can make suggestions or raise new ideas. You can even go further by implementing your initiatives with full support from EduDelta.

Make EduDelta a part of you because it will be a community experience you will never forget. :D

Best Regards,

Clarence Tan
